## The Trade For Him.

He told his friend that his son was giving him a great deal of trouble and that he was undecided what to do with him.  
"He has lost every position I have got for him," he said, "and I am in despair."  
"Is he fast and unreliable?" asked the friend.  
"Oh, no; he can be depended upon at all times, but he makes such a bad impression that no one will keep him."  
"What is his personal appearance?"  
"Not at all. He always looks well."  
"Laziness?"  
"No, but he talks too much. He can't seem to help it. He talks all the time, and talks like a blithering idiot at that. His remarks are made at random and don't seem to mean anything or to fit in anywhere. There is no sense to them and of course in a few weeks he just talks himself out of his job."  
"Can't you get him to reform?"  
"Not a bit of it. I've tried, but it seems to be born in him to bubble along like the inmate of an insane asylum."  
"Well, there's only one thing to do with him."  
"What's that?"  
"Make a barber of him."—Chicago Evening Post.

## An Eye Clearer.

In traveling you can easily guard against the dread of getting cinders in your eye by carrying with you a tiny box of flaxseed. The instant you feel a foreign substance in the eye throw back your head and drop three or four flaxseed on the ball of the eye; then lift the upper lid and draw it down over them so as to hold them in. The relief will come immediately, and soon the offending particle with them.—Philadelphia Ledger.

By Purifying Their Blood

Hood's Sarsaparilla Makes Pure Blood, Cures Scrofula, Etc.

My experience with Hood's Sarsaparilla has been very effective. My little girl, five years old, had for four years a bad skin disease. Her arms and limbs would break out in a mass of sores, discharging yellow matter. She would scratch the eruptions as though it gave relief, and tear open the sores.

## IN THE TWO COUNCILS.

UNANIMOUS VOTE TO EXTEND CLEMENCY TO COL. V. V. ASHFORD.

He is a Very Sick Prisoner—Will Leave Hawaii Never to Return—War Records.

The Executive and Advisory Councils held a long meeting Thursday afternoon. Six members, including President Dole, were absent. Mr. Hatch announced the decision of the Executive to conditionally pardon V. V. Ashford. The terms are that he leave Hawaii never to return. A committee of physicians appointed to examine the prisoner reported that Mr. Ashford's health was in a critical condition. Long before his arrest he had been suffering with a disease of the spine, and contemplated a trip abroad this spring. The Councils voted solidly in favor of the conditional pardon.

Mr. Hatch, for the Executive, presented a written reply to the resolution of the convention on war records. Evidence of loyalty was taken into consideration in making up the report on each individual case. The foreign office was thought to be in a healthy political condition. One had been discharged from there, one from the interior office, three from the tax office, three from the board of health department, one from the survey department, and three from the water works department. Morris Keohokalele will be dismissed from the interior department as soon as Chief Clerk Hassinger can return to work.

Chief Justice Judd replied for the Judiciary Department. Among other things he said: "As the authority appointing these persons, I hope the Executive Council will be content with the assurance that I now give you that the justices of the Supreme Court, not only from the statements made by the employees themselves, but from other evidence and from our knowledge of the character of the men themselves, are satisfied of their loyalty to the Government which they serve." Reports from the Customs Bureau and Postoffice Department were also read.

On motion of Mr. Emmeluth the whole report was laid on the table to be taken up at the next meeting.

Minister King reported for the Fire Commissioners on the Chinese engine house matter. After some discussion, on motion of Mr. Kennedy the whole matter was referred back to the Commissioners for their decision.

Dr. Wood offered a petition from physicians and druggists relating on alcohol law, which was referred to the Judiciary Committee.
